17	Thin Edward Sou moves <i>pro se</i> for reconsideration or for leave to file a motion for	
18	reconsideration of the court's denial of his motion attacking his sentence. Although petitioner was	
19	represented at the hearing on his § 2255 motion, he has filed the current motion pro se. His apparent	
20	reason for filing <i>pro se</i> is that he wanted to insure timeliness of the motion. The court has	
21	considered the motion for reconsideration or leave to file a motion for reconsideration and hereby	
22	denies the motion.
